

TEXAS SCRAMBLE

Today's format is a Texas Scramble. This is a team competition, with three or four players to a team. Each player on your team plays his or her shot at the start of each hole. The team decides which shot to play on this and all subsequent shots. Play continues on until any team member holes out a shot at which point the hole is scored.

The team must count each player's tee shot a minimum of 2 times for today's round of golf. If your team only has three players, have one player play two drives. Each player will play one shot until the team reaches the green. The player that played two drives will now have two putts each time consecutively through six holes. Switch to another player for the middle six holes. The third player plays two shots on the last six holes.

ANNUAL GOLF TOURNAMENT

TEXAS SCRAMBLE

Welcome

Welcome to the beautiful Westwood Plateau Golf and Country Club and our Golf Tournament.

This wonderful event is made possible by the generosity of our sponsors, and suppliers of this event. Golfers, please take a moment during the afternoon and evening to personally thank our sponsors for their contribution to the success of this tournament.

A special thank-you is also extended to our volunteers, your donation of time and effort is appreciated beyond words. Thank you.

A big BCCA welcome to all of our out-of-town visitors, please enjoy your day golfing on this scenic course.
